Presentation at Avishkar Research Convention

Students from our College participated in the Avishkar Research Convention organised by the Mumbai university. There were 2 groups that presented their Research done on 2 different topics 'Differences in Happiness and Life Satisfaction between people practising meditation and people not practising meditation' and 'Impact of 2 different coloured highlighters on memory in college students in Mumbai'.

The former group got through both the rounds at the zonal level. Which consisted of poster making and Power point presentation held on 24/12/2019, at the Vivekanand College Chembur. And reached the inter zonal level held at KC College on 4/1/2020, but unfortunately failed to make it to the next round.

The latter group got through the poster making round at the zonal level but did not make it to the power point presentation level. This was an excellent beginning, as students hardwork and dedication can be seen throughout the convention.

B.M.M.'s Food Carnival

The B.M.M. Department organized a Food Carnival on 2nd March 2020, on the quadrangle of the college campus.

The food festival was a part of their direct marketing project. Students created their own brands under which they were selling fast-foods and snacks.

Pre-Event - they promoted their brands using various direct marketing tools. On-day the stalls were live at 10am up till 3pm. There were various variety of fast food serving like Pani Puri, Dosa, Chaat, Dessert, Chinese Bhel, and many more. Every stall had their own creative strategies to attract customers. Principal Sir, Teachers, Faculties, Staff members, and Students of the college visited the stalls, to relish the opportunity. End of day, the stalls were successful.

The students not only learned the communication skills of promoting a brand but also other skills like stall management, entrepreneurship, budgeting, coordination and cooperation.
