ATTENDANCE NOTICE

Academic year 2020-2021

(Semester-II, IV & IV)

As per the instructions from the Government and the University of Mumbai, the college will continue to conduct online lectures till further notice. However, it has been noticed that attendance in the online lectures is not up to the mark. We trust that the students must have resolved all technical issues by now and are in a position to attend the online lectures.

Every student should log in to the online lectures through their official MS Teams login id only. Attendance of students who have logged in any other manner will not be considered.

Keeping in mind the University regulations, the students have to ensure that they have at least 75% attendance in the online lectures. Attendance of each lecture will be recorded by the teachers and a defaulters list will be published at the end of each month. If the attendance of a student is not up to the mark, appropriate action will be taken as per University Regulations.
