To promote measures for quality enhancement, a SWOC analysis was prepared by the IQAC:

Strengths:

1. Cooperative and Understanding Management
2. Approachable and highly qualified Faculty
3. Strong NCC, NSS unit.
4. Focus on the use of ICT
5. Good geographical location
6. High Research Orientation of Staff and Students
7. Frequent organization of Conferences, Seminars, Workshops, and Talk Series
8. National and International representation by students
9. Strong leadership and mentoring qualities of the Principal
10. Good coordination and team work
11. Tie-ups with External organizations

Weaknesses:

1. Need of more career oriented short term programs
2. Need for strengthening the Placement Cell
3. Need for better teacher-student ratio
4. Non-residential campus

Opportunities:

1. Scope for starting add-on courses on employability and skill development
2. To apply research and other grants

3. Consultancies and Patents
4. Strengthening ties with the Alumni
5. Inter-disciplinary teaching and Projects

Challenges:

1. Students from vernacular medium
2. Students of lower economic strata take up part-time jobs, which affects attendance.

Chitra

Dr. Chitra Munshi

IQAC coordinator
