Message from the Chairman

Dear Principal, Staff and Students,

"Hardship often prepares an ordinary person for an extraordinary destiny."

- Christopher Markus

The year 20-21 has proved that in times of necessity, we have discovered and experimented with novel ways to deal with challenging situations never imagined before. It has left us more equipped and resilient than before. This is the type of holistic development that the college facilitates for the learners. The college is growing every year in terms of quality and finesse. And I attribute this credit to each one of you who have contributed in your own unique way in shaping the institution as it is today, and in allowing the institution to shape you for your life and career.

With globalisation and digitization acquiring prominence in current times, we have taken a big step towards enhancing and enriching the digital and technical facilities to provide to the teachers and students. A huge sum of money is being utilized towards this venture. With changing times, we are implementing steps to take education in the most convenient way, and by using the most advanced methods to each of the students who has chosen to study and grow here.

Major Infrastructural developments have also been made to rejuvenate and strengthen the college. The college now bears a new and elegant look, and I think this adds in a great way towards an enhanced teaching and learning experience for the staff and students.

Young boys and girls are the present and future of this country. And by equipping these young and energetic minds with academic excellence and holistic development, we are working towards a better future of our nation.

I acknowledge the efforts and hard work of the Principal along with his team of staff in taking the college to where it proudly stands today. My greatest appreciations are to the Managing team of Trustees and Advisory experts who guide the college in every step keeping their towering visions for the college in mind.

I wish all of you the very best for a brilliant academic year ahead.

Principal's Message

My Dear Students,

One more year has passed... a difficult year for all of us particularly for academics and students. I am more than happy to say that this year has been though difficult but fruitful to some extent. Whether the world is changing with consequences or not I would like to hope for a brighter future, and it's up to you students to make it happen.

Your teachers and peers are counting on you. We know that we can achieve great things when working together. You have many new things to learn from the Covid pandemic. Please do not let

your hearts get small or your eyes grow weary. Covid pandemic has brought together people from all over the world, to teach and learn many things from one another.

One more year has passed...we have learned many new things from unprecedented events of the last year. We have learned so much about the forces that are shaping our world, but we have learned even more about ourselves and how important it is to work together and defend our ideas.

The rapid expansion of the coronavirus pandemic has disrupted life of every individual person, state, and institutions worldwide. Feelings of great uncertainty and anxiety have been triggered. This situation has posed real threats and challenges for the university in general, and for teachers and students, in particular. Organic academic life was abruptly confined to the home, and teaching and learning has turned INORGANIC.

There are numerous adjustments that have been made in a short period of time to the university syllabi, learning activities, online examinations, etc.

It is a global challenge since the Coronavirus does not discriminate national boundaries. The challenge is more on the national level, where many of the policy decisions in response to the pandemic are made, and at the local level, people are expected to support one another in times of need.

The Pandemic will not be a permanent feature, and time will soon come which will be covid-free. The college is eagerly waiting to receive you to enjoy campus life, to make the best use of its infrastructure and to get academically strong to face the new challenges of the future.

I wish you all the best in your future endeavours!

Dr. Debajit Sarkar Principal

"Being oneself is the best form of self-expression."

The ways we act, choose, speak, and react are all forms in which we express ourselves. Everyone is not made the same. We are all unique with similarities and dissimilarities with each other. Identifying and respecting our true nature is a great step in the area of personal development.

The poems and articles by the staff and students are expressions of themselves. I thank you for your valuable contributions. The reports and photographs by the heads of departments and conveners of committees deserve appreciation, and so it is.

I thank the editors of the various sections for their meticulous care and effort in making things so aesthetic and effective. I also thank the Principal for his guidance.

POSITIVE ATTITUDE TOWARDS LIFE

Dhyaan Bhavsar (SY B. Com A)

What according to you is positivity? For me, it's a mental belief that registers in the mind that good things will happen and that one's efforts will be successfully recognized. When we think positive, we actually overpower our negative thoughts on fear and failure. Thinking positive is regarded as being optimistic while thinking negative means having a pessimistic approach towards life. I myself have observed that positivity does play a vital role in you day to day lifestyle. It is that hope of light which destroys the negative vibes that clouds your mind.

Now, the question is how to remain positive? Here are the few things which can aid you to increase your positive vibes: -

- Sleep: A sound sleep is one of the best ways to heal your stressed life. The brain cells usually get tired
 when a person is exhausted. Good sleep ensures proper and smooth functioning of your brain. And if
 the brain is on the right mode, well... you too are on the right direction.
- Reading: My advice to you is to start making 'Reading' your habit. One must inculcate the passion of reading inspirational and motivational stories on success. Such stories may inspire you and show you the steps of leading a positive successful life.
- Meditation: allocate at least five minutes of the day to yourself. Isolate yourself and try to meditate. It displays positive emotions since you are in a peace of mind.
- Exercise: Exercising not only boosts your stamina but also release cells which soothe the brain and keeps the person in the control of their impulses.

There are several physical and mental health benefits offered by positive thinking, and every person would be amazed by how positivity can affect their health better:

Better Health: Positive thinking leads to better health. Refraining from negative thoughts like anxiety, stress, frustration, and worry can present you with a stronger immune system, thus relieving you from vulnerable and significant illnesses. Reinforcing positive thinking permits you to fight off whatever bug is going around. Studies have proven that those individuals who feel better, live together than those who do not.

Strengthens Immunity: Positive thinking can assist you a great deal in battling multiple ailments such as common colds and influenza. Negative thoughts can weaken your immune response. Medical research and studies have shown that negative thoughts can cause more significant electrical activity in a part of your mind that cuts the immune response.

Boost Confidence: Positive thinking can boost an individual's confidence and is a crucial stigma that leads to self-confidence. Positive thoughts and behaviours leave individuals more confident and selfassured.

Fights Depression: It is proven that one of the most significant aspects of depression is pessimistic thinking. Studies have stated that any individual who changes their negatives into positive thoughts can start to fight depression and develop a way to elevate positive thinking.

Reduces Blood Pressure: Individuals suffering from high blood pressure and having a hard time to remain positive must start reviewing life and start with some positivity in life. Negative thoughts lead to high-stress levels and anxiety, leading to high blood pressure. Changing the negative thoughts into positive can significantly contribute to reducing your blood pressure.

Key to Success: positive thinking people are more probable to remain successful in life than negative thinking people. Individuals who implement positive thoughts in life aspects will notice that success becomes more manageable and is not severe as many people think.

Positive thinking is a way of living life with peace and integrity. It holds an intense impact on an individual's health, offers them with better career opportunities, and helps individuals build and develop better relationships.

Before ending this article, I would like to tell two things: -

- Everybody has a creative potential and from the moment you can express this creative potential, you can start changing the world.
- The two hardest tests on the spiritual road are the patience to wait for the right moment and the courage not to be disappointed with what we encounter."

CYBER SEXTORTION

Harsh Narayan Shrivastava (SY.B.A.)

In the modern era, due to technology, everyone is living a much easier and smoother functioning life. Every product is available online. The Internet is at everyone's beck and call whenever they need assistance, and is automatically also a right that every person withholds. But as we know, there are pros and cons to everything. The Internet has made our lives easy going but also publicly open through the different social media platforms where thousands of people are active, on a daily basis. Among these thousands of people, the majority are youth ranging from the age of 18 to 35. These online platforms not only connect people from all around the world who were once strangers, but sometimes also help form a deeper connection by indulging in each other's private lives. This can be great but there are several cons behind it too. People tend to get attracted to each other by what they see on social media or what the other person tells them. Later on in time, people end up sharing private information like videos and photos to these strangers due to this attraction. This action on the part of the individual can be very dangerous and can make him/her a victim of cyber sextortion.

"What is cyber sextortion?" you may ask.

According to the cyber cell department "the practice of coercing someone, especially for sexual activities, by threatening to publish private photos of them or sexual information about them is called cyber sextortion". A survey was conducted by Microsoft to track people's cybercrime experiences. Out of which, a total of five hundred respondents of the survey, each of the fourteen respondents was from India. The survey states that, in the Indian digital world, online harassment, hate speeches and individuals are more than the cases of individuals who face sexual risk. However, after the global lockdown, internet crimes are also increasing. Interestingly, this survey found that the percentage of sexual harassment of Indian men is higher than women. The cases of cyber sextortion are high among the adolescents because they are unaware of the consequences of such actions and hence end up doing immature things which are totally unnecessary.

Hence, one should keep personal information safe and refrain from sending them to strangers online. By being a step ahead and distinguishing between the reliable and the unreliable people can help prevent quite a lot of external stress in life.

How should victims deal with sextortion?

The **first step:** is to relieve the victim from the stress caused. Anxious minds generally make poor decisions. In such a situation, it is quite natural for the victim to be open to negative thoughts and lower their self-esteem. These negative thoughts might make them take rash decisions or even worse, may provoke them to take their own lives, but the only way is to fight it.

Secondly, the victim should inform their parents or guardians who will certainly guide and help them handle the issue. Society might support the victim once they have some time to digest the information and understand the issue and know to stand by what is right. Your story could be an inspiration to the ones suffering in silence.

The **final step** is to inform the cyber cell who might help you identify the issue and help you find and stop these online evil doers. Additionally, victims should visit the official website and report to the National Centre for Missing and Exploited Children (NCMEC) or call on helpline number 1-866-658-9022.

What to do as parents to safeguard their children from cyber sextortion?

Generally, parents are already quite smart in dealing with such situations. But to be further equipped, parents can read up a few things regarding this term to acquire more knowledge and make a sequenced plan to surpass the children out of sextortion. The most common mistake parents make is that they panic and end up accusing their children for landing themselves in this situation. As parents, in such cases, you should think about the depth of the problem and try not to be impulsive. A little composed behaviour and emotional support is all your child requires at that moment. The first priority is to gather evidence such as screenshots, emails, photos, etc. This can make it easier for the police to reach the offender once a case is filed regarding sextortion. To report the matter, the next priority is to reach the NCMEC website or make a phone call to inform the organization about the cyber case.

Having a strong bond with your children and making sure you are always aware about their whereabouts can prevent the child being a victim of cyber sextortion. Creating an environment where your child can talk to you without feeling judged or accused can help a lot. You as a parent cannot be their best friend but creating such an environment might make it easier for your child to talk to you and be open with you regarding everything going on in their life. Teenagers these days are uncomfortable sharing everything with their parents due to the consequences and hence contact outside the family which may then lead to wrong advice which when acted upon, can totally make their life upside down. Therefore, it is important to be a part of your child's life to help them in any problem they face.

SAVE OCEAN, SAVE LIFE

Moksh Dipesh Shah (S.Y. B. Com B)

It is assumed that after every 100 years there is an epidemic or pandemic disease that causes the whole world to fight for their life to be safe from these diseases. But as per some environmentalists it's not disease it's warning to humans to save environment from various wastes in air and water. If we can't save environment from this then it will not good for environment and for us too.

Similarly in year 2020 there was a pandemic of 'COVID-19' which has created trouble in the whole world. The doctors and medical staff are managing to fight against Corona. There is major deficit of oxygen in the world and as well as in India. The major source for oxygen is trees and marine life plants and animals. The ocean is indeed crucial to humanity. If the humans do not disturb the marine life, then there would be better level of oxygen present in the environment and there would be less or no disease like Corona. Better level of Oxygen present in environment could help humans to maintain health and hygiene properly.

The ocean absorbs over 90 percent of the heat that enters the atmosphere, it provides over half of the oxygen we breathe, it supplies over 3 billion people with 20 percent of their daily protein needs, it enables global trade and transport, and it provides health and wellbeing benefits to millions, if not billions of people. Without the ocean, humans could not exist on Earth. Marine life is being getting finish off by Fishing industry and the people who are eating it. It is hugely damaging our environment.

By catch-fish and other marine species that are unintentionally caught when trying to catch another type of fish is one major issue (about 40% of global fishing catches is unused). Due to this other marine animal died in by-catch. Shocking statistics shows that 50 million sharks are caught annually as by catch, while up to 10,000 dolphins are caught off the Atlantic coast.

Other problems like the damaging impact that single-use plastic that has created problems in oceans. An estimated 0.03 per cent of plastic pollution waste comes from straws. Although rarely discussed, fishing nets and equipment actually make up a significant amount of the plastic pollution in our oceans, too—including 46 per cent of the so-called Great Pacific Garbage Patch in the North Pacific Ocean. It goes without saying that this is hugely damaging to sea life.

The plastic waste which is caused by humans is thrown in seas and oceans due to which marine life gets disturbed. At least 8 million tons of plastic end up in our oceans every year, and make up 80% of all

marine debris from surface waters to deep-sea sediments. Marine species ingest or are entangled by plastic debris, which causes severe injuries and deaths. Plastic pollution threatens food safety and quality, human health, coastal tourism, and contributes to climate change.

There is an urgent need to **explore the use of existing legally binding international agreements** to address marine plastic **pollution. Recycling** and **reuse** of plastic products, and **support for research and innovation to develop new products to replace single-use plastics** are also necessary to prevent and reduce plastic pollution.

At least 8 million tons of plastic end up in our oceans every year. Floating plastic debris are currently the most abundant items of marine litter. Waste plastic makes up 80% of all marine debris from surface waters to deep-sea sediments. Plastic has been detected on shorelines of all the continents, with more plastic materials found near popular tourist destinations and densely populated areas.

All the problems mentioned above could not be there if people would maintain marine environment properly and in hygienic way.

People are now catching up to 2.7 trillion fish a year, the equivalent to 5 million fish every minute means that we need to seriously consider our consumption of fish and other seafood. The way to reduce marine life destruction is to reduce consumption or not to eat marine species. If this is done then humans as well as environment will be in great condition.

CHANGING LIFESTYLE DURING COVID-19 – REJUVENATION OF BIODIVERSITY WITH A DILEMMA Rushank Doshi (S.Y.B.A.)

The direct impact of Covid-19 is the matter of survival as it is so deadly. Without any notice, it suddenly came into our lives and made us hibernate in our homes by blocking our daily routines. It took away many of our friends and families all of a sudden, with no time to grieve and perform last rites and rituals. As there are two sides of a coin, we could say that it gave the mother earth time to heal. To understand it in a better way we could break it into three parts.

The Way Covid-19 Changed Our Way of Living:

It stepped-in and stopped our lives, completely; the way we used to socialize, the way we used to make a living, everything! Everything changed all of a sudden giving our fast-paced lives a halt. Social animal cannot socialize anymore. The travel and tourism industry stopped, we adapted to the new normal by the digital approach. Celebrating festivals is now on video conferences at our homes. Switching to healthier alternatives by having home cooked food. With this we also increased our screen time, lost the track of time, got scared, confused when this chaotic pandemic will get over though no one has the answer the only thing we have is our hopes alive.

The Biodiversity Got Covid as a Boon

As we all noticed that we are harming nature for our own comfort in one or the other way. By stopping majority of economic activities, we actually reduced the amount of harm we were causing. By this I would like to share some amazing instances of it which were going viral on Internet. World-wide the air quality improved significantly within two weeks of lockdown. The highest Himalayan Mountain Ranges were visible from a distance of 200km in the state of Jalandhar. In a village in Assam people use to be scared of the wild elephants from the forests that used their farms as their food and invading on a daily basis. But since lockdown took place people working in the city came back to their hometown; this extra labour was dedicated to cultivate fast growing fodder crops for elephants and they themselves invite these hungry mammals for the dinner with a traditional gesture on a daily basis where else would you get to see such a scenario. Some rare species of animals and birds increased in numbers. Average human waste generation decreased which was otherwise increasing daily. A million more instances of Earth reviving its youthful appearance came afloat just by pausing one variable "Us"

Henceforth we should learn that we the social beings with the ability to think should use our brains more on living in a sustainable social environment which is eco-friendly and has least negative impact on biodiversity or The Mother Earth has its own plans to survive with or without us.

Evidence

Khushi Jaiswal, F.Y.B.A.

The evidence is all around The beauty of the earth abounds,

The richness of the autumn leaves The forest, a diversity of lofty tress

Were I to stand, feet in the sand? The waves would bow before the land.

A climb of fourteen thousand feet A magnificent mountain, a kind of peak.

The ethereal wisps of feathery clouds.

They delicately decorate the sky so proud.

The purest lilies of the field Raise their heads for light revealed,

A yellow sunflower of golden petals,

A lamp alighting Creation's splendor.

And I, but a speck when all compared, And loved most of all, His image bearer.

VISION

Khushi Jaiswal, F.Y.B.A.

2020 vision, Clearly blind, To the kind of work Needed to fix, Human kind.

I find I lose hope When I focused my mind On the dissonant dread Scream scream In my head.

A bit of encouragement A text from a friend Asking to walk Requesting to talk

Is hope still alive In this horrible year? Maybe not, but Our friendship is, Right?

After all, hindsight is twenty twenty. And love covers a multitude.

SYLVIA PLATH MIGHT JUST BE MY COUSIN Hetvi Shah, F.Y.B.A.

My minds' gone crazy, I feel nothing but hazy, Head in the oven, Sylvian Plath might just be my cousin.

Feeling all the blues, Living life without clues, Like the titanic my heart has sunk, Oh, I wonder! What would it be to live like a monk?

Days go by, Life slips by, How long can I live this crazy lifestyle? Giving up was never an option, But wait, is this just warmup?

HER

Mitali Vyas, F.Y.B.A.

Her life was euphoric,
But made no sense to others,
She had a mind of her own,
Wore her crown with such poise,
Made others envious of her grace,
Perople wondered for no one,
Was able to decipher a being like her,
Her eyes held the deepest of questions
For she was a creation of mysterious
power,

She was like a stairway to heaven, Which no man had ever climbed, She was a Queen with or without you.

NEVER GIVE UP Devika Vyas, F.Y.B.A.

Oh Dear.

UNSTOPPABLE

Shagun Joshi, F.Y.B.A.

The wind blows as I walk by,

Here I step forward to fly. With all the courage that I own,

I walk on the path full of stone.

Hurdles are a part of life is what they say,

But I won't give up, come what may.

I will fail, I will fall, Yet I will conquer all and stand tall.

In the sky of dreams I go high,

LIVE YOUR DREAMS

Yakshita Payaula, F.Y.B.A.

You are born to be real. Not to be perfect. The biggest adventure, You can take is to live: The life of your dreams. Dream as you will live forever. Live as you will die today. This life has been a landscape of pain, But don't wait for tomorrow; Do it all today. If tomorrow never comes, You'll never regret a day. Still honesty and frankness, Will make you vulnerable: So be honest and frank

WE REGRET WE HAVE ONLY ONE LIFE TO SERVE OUR NATION

Jinal Mishra, F.Y.B.A.

We are here, to serve our motherland Or else our nation would end Enemies are 50 miles apart in the war We'll fight till our last breath and we don't care if we are no more

We don't care about our lives But we really miss our wives We also miss word 'pappa' From our little child

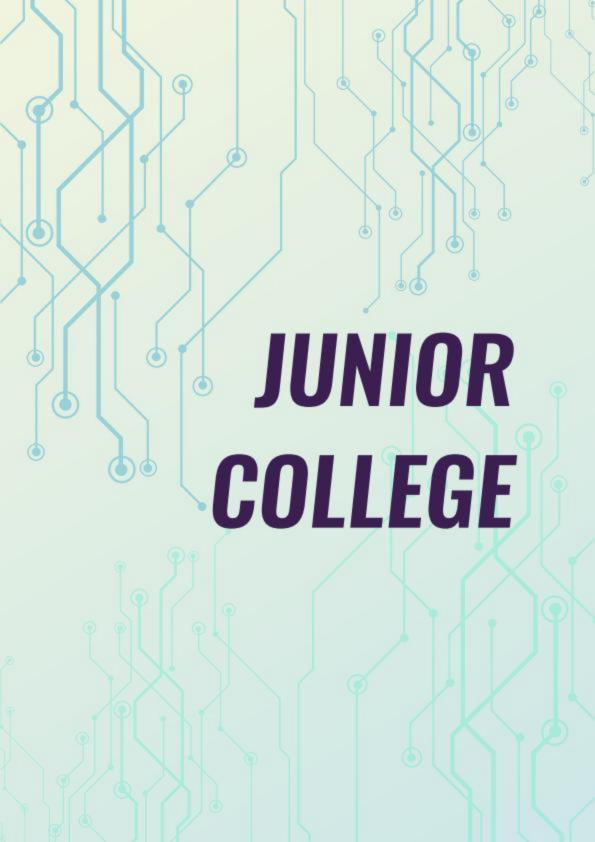

We meet everyone whenever
We get vacation
But we have to get return
Because we have to serve our nation

Tomorrow if we die Tell our parents not to cry Their sons were so brave That today thousands of lives are safe

We all 'jawans' were together last night Today all are wrapped in the nation's flag And someone is in Delhi And someone is in Manali

Salute to our real hero's Indian Army

CHANCE

Khushi Vira, F.Y.J.C. Arts

If you looked in the corners, You'd find her right there, Hidden by darkness, And the curls in her hair.

Her nose in a book, With her head in the clouds, Hiding her feelings Away from the crowd.

If you sat by her side, While the world passed by you, She'd tell you the story, behind the pain in her eyes.

If you gave her 5 minutes, you'd see how her smile, Makes even the bad things, In life seem worthwhile. But you don't look in corners,

You don't even glance, So she sits there still waiting.

To be given a chance.

hard. You will fail. You will question

I know you struggle sometimes but in

case I don't tell you enough, you're

yourself. Some will not trust you.

Thank you for being so strong & clear, the world sees you even when you feel invisible. I appreciate your heart and your stubbornness. You are greater than you give yourself credit for. Stop for a minute. Forgive yourself. You've been a little too hard & rude on yourself lately. I'm so proud to know that you've grown to acknowledge your worth.

LIVE YOUR DREAMS

Yakshita Payaula, F.Y.B.A.

Each day as the sun sets And as the nights grows darker.

Her heart starts to ache With the pain which she hides deep inside her heart, And when she closes her eyes

She can feel the pain pouring out from her eyes, She hugs her teary pillow and closes her ears with the

To run away in her own little world

And when no one's around, You can see her pain through her scars

Others see her in the bright sunlight,

With an evergreen face And a beautiful smile, And think she's doing fine, When in reality it's just her pain which doesn't let her cry

But every day as the sun's brightness turns into darkness,

So does she,

Her scars appear again making her weak Time couldn't heal her pain, Or calm her timid heart So every night she fights a war with herself Just to be free, lust to be free...

WHAT MATTERS IS YOU!

Khathija Mohamad Abdul Rauf, F.Y.J.C. ARTS

To my beloved I said "Your highness, I understand everything, Your courage, your despair, your kindness, Your pain, your resentment, your hate, Your intelligence, your foolishness.

If I could, I would have you use me as your stepping stone,
The bridge that you take apart after crossing,
The corpse bones you need to trample to climb up,
The sinner who deserves butchering of a million knife.
But I know you wouldn't allow it.

As for me, the one standing in infinite glory is you; The one fallen from grace is also you. What matters is 'you' and not the state of you".

THE OCEAN EYES

Pooja Surti, F.Y.J.C. Arts

She had blue eyes.
And mine were green.
She represented the ocean,
And I a beautiful tree.
The blue eyes clenched,
Love, hate and vastness,
Deep inside.

I nurtured the graceful nature,
For several lives.
I withstood pain and grief,
For humanity.
Whose lives are
Dependent on me.
Her bright blue eyes
glittered,
Under the pale moonlight,
Expressing that she was,
Lively and free.

She was greater and deeper, Than any branch of mine. And let everyone happily drink, The nectar of life. I was a little tree back then, When I met her, For the very first time.

Lush and green fields

around me.
Butterflies and birds
fluttering around me.
With vibrant hues and
sweet fragrance,
Of the flowers beside me.
Missing the old days,
I merely thanked the ocean
of mine.
For letting me experience,
The beauty of life.

LIFE WITHOUT WOMEN

Drashti Modi, S.Y.J.C. Arts

Women is the most important element of Not only the world but also of a family. A women is a person who makes the Family who nurtures them and make Everyone strong. We say women are weak But it is absolutely wrong "if they would Have been weak, God won't have given Them the power to give lives to this world". We say our lives are easy without women But it's wrong "one day come home late And go to the kitchen and find out food for Yourself and quote; that day you will come to know the value of women.

They are the ones who are multitasking
Can do both can do household work as
Well as job. It's a very good saying God
Created women because he cannot reach
Everywhere. She is the person who'd
Position can't be filled by anyone. They are
The ones who themselves will stay hungry
But will fill you to the fullest. They are
Been treated as goddess but they are also
The ones who are highly unsafe.
Women is like a tree trunk who is strong
Enough even when there is difficult
Situations and take care of everything.

ANKAHI BAATEIN... Mansi Sangoi (TYBFM)

Ha yeh daur nahi hai aasaan Na ban tu isse anjaan,

Tu kya jane un arakshiyo ka kurbaan Joh khade thenaat din raat hai bane sultaan. Nahi honge kya unke bhi armaan? Magar ladd rahe hai jokhim mei daal ke apni

Na bhul tu voh bhi hai ek insaan.

iaan

Dekh tu uska dard.. ha chup hai voh bankar khada dheeth hai voh, andar seh utna hi sehma sa hai voh, phir bhi chehre par lagaye baitha hai muskaan.

Ha bajayi thi tune unke liye taliyaan
Kar sanman unka na de unko galiyaan,
hume toh sirf apno ki dooriyan sata rahi hai,
tu kya jane unpar kya guzar rahi hai,
Joh kar rahe hai surakhsha teri din raat chod
kar apne makaan aur apni pyari santaan,
Nahi kar rahe voh tujh par koi ehsaan bas
itni si umeed hai unhe,

Tu baith kar ghar layega wapas vahi jahaan aur phir hogi gajab ki udaan!

A LITTLE LIFE QUOTE... Mansi Sangoi (TYBFM)

"Follow your dream like breaker. Even if it breaks down, Don't ever run backwards, never. Because the dawn right before the sun rises is the darkest."

"Who says a dream must be something grand?

Just become anybody

We deserve a life

Whatever, big or small, you are you after all."

तू गुलाब होकर महक...

प्रतीक्षा कोकरे - प्रथम वर्ष कला विभाग

संगति का मानव जीवन पर अत्यधिक प्रभाव पड़ता है। यदि अच्छी संगत मिले तो मनुष्य महान हो जाता है, लेकिन वही मनुष्य यदि कुसंग के चक्कर में पड़ जाए तो अपना जीवन नष्ट कर लेता है। अतः अपने से जो पढ़ाई में एवं शिष्टता में आगे हों ऐसे विद्यार्थियों का आदरपूर्वक संग करना चाहिए तथा अपने से जो नीचे हों उन्हें दयापूर्वक ऊपर उठाने का प्रयास करना चाहिए, लेकिन साथ ही यह ध्यान भी रहे की कहीं हम उनकी बातों में न फँस जाएं।

एक बार मेरे सदगुरुदेव पूज्यपाद स्वामी श्री लीला शाह जी महाराज ने मुझे गुलाब का फूल बताकर कहा, "यह क्या है?"

मैंने कहा, 'बापू। यह गुलाब का फूल है।"

उन्होंने <mark>आगे कहा, "इसे तू डालडा के डिब्बे पर</mark> रख फिर सूँघ अथवा गुड़ के ऊपर रख, शक्कर के ऊपर रख या चने अथवा मूँग की दाल पर रख, गंदी नाली के पास रख ऑफिस में रख। उसे सब जगह घुमा, सब जगह रख, फिर सूँघ तो उसमें किसकी सुगंध आएगी?"

मैंने कहा, "जी, गुलाब की।"

गुरुदेव, "गुलाब को कहीं भी रख दो और फिर सूँघो तो उसमें से सुगन्ध गुलाब की ही आएगी। ऐसे ही हमारा जीवन भी गुलाब जैसा होना चाहिए। हमारे सदगुणों की सुगन्ध दूसरों को लेनी हो तो लें किन्तु हममें किसी की दुर्गन्ध प्रविष्ट न हो। तू गुलाब होकर महक.... तझे जमाना जाने।

किसी के दोष हममें ना आयें, इसका ध्यान रखना चाहिए। अपने गुण कोई लेना चाहे तो भले ले ले। भगवान का ध्यान करने से, एकाग्र होने से, माता-पिता का आदर करने से, गुरुजनों की बातों को आदरपूर्वक मानने से हममें सदगुणों की वृद्धि होती है।

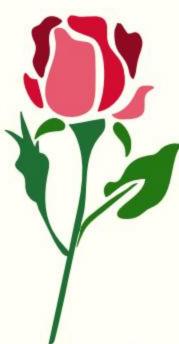

प्रातःकाल जल्दी उठकर माता-पिता को प्रणाम करो। भगवान श्रीरामचन्द्रजी प्रातःकाल जल्दी उठकर माता-पिता एवं गुरु को प्रणाम करते थे।

प्रातःकाल उठिह रघुनाथा मातु-पितु गुरु नाविह माथा। श्रीरामचन्द्रजी जब गुरु आश्रम में रहते थे ते गुरु जी से पहले ही नींद से जाग जाते थे।

गुरु से पहले जगपति जागे राम सुजान। ऐसा राम चरितमानस में आता है।

माता-पिता एवं गुरुजनों का आदर करने से हमारे जीवन में दैवी गुण विकसित होते हैं, जिनके प्रभाव से ही हमारा जीवन दिव्य होने लगता है।

हे विद्यार्थी! तू भी निष्कामता, प्रसन्नता, असंगता की महक फैलाता जा।

मत बांटो हमको जाति में, इसमें फंस कर मिट जाएंगे। जिसे सींचा वीर शहीदों ने, वो बाग नहीं बच पाएंगे।।

देखों जब जब भी बटा देश, अपने वजूद से कटा देश। कोई रंग नहीं मानवता का, खुद भारत माँ से छटा देश। मजबूर हुए सब सहने को, इतिहास यही बतलाएंगे। मत बांटो हमको जाति में, इसमें फंस कर मिट जाएंगे।

हम नेक बने सब एक बने, एक सनातन हमारी जाती हो। पूजा पहनावा भले अलग, जग में भारत के ख्याति हो।। वसुधैव कुटुंबकम का झंडा, पूरे आसमां में फहराएंगे। मत बांटो हमको जाति में, इसमें फंस कर मिट जाएंगे।।

नरसिंहो की ललकार करो, बच्चों में यह संस्कार भरो। जगने दो मन में भक्ति योग, और गांडीव की टनकार करो।। छल,कपट,द्वेष,अन्याय अहं, की होली आज जलाएंगे। मत बांटो हमको जाति में, इसमें फस कर मिट जाएंगे।।

बुद्धिजीवी कुछ आगाज करें, समर्पण की फरियाद करें। परहित जीवन का लक्ष्य बना, षड्यंत्रों पर आवाज करें।। जन-जन में जागे राष्ट्रप्रेम, निज धर्म तभी बच पाएंगे। मत बांटो हमको जाति में, इसमें फस कर मिट जाएंगे।।

जिसे भारत का स्वाभिमान नहीं, खुद संस्कृति की पहचान नहीं। करते व्याख्या परमेश्वर की, जिसे खुद ईश्वर का ज्ञान नहीं।। सत्संग सुनो ब्रह्मज्ञानी का, सारे पुरखे तर जाएंगे। मत बांटो हमको जाति में, इसमें फस कर मिट जाएंगे।।

जिसे सींचा वीर शहीदों ने, वो बाग नहीं बच पायेंगे।

गर्मी के मौसम में आनंद उस कुल्फी का हो। भरी धूप में भी क्रिकेट की लालसा हो। महल्ले में चीखना चिल्लाना हो। घर पर बैठने का हमारे पास वक्त ही ना हो। बावला दोस्त जो हर पल साथ हो। जब व्यवसाय नहीं, खेलने की चिंता हो। वो बचपन हमारा अभी जीवित हो सजा के बाद खुब सारा प्यार हो। माँ की हाथों से बनी धी की रोटी का स्वाद हो। वो नायब पल जिनके सपने सहाने हो। आम तोडने का जिससे शौक हो। स्कूल का वहीं अनुभव फिर से हो। रात में बहुत सारी कहानियाँ हो। वो बचपन हमारा अभी जीवित हो। मित्रता पक्की और खब भरोसा हो। जिसका कोई मजहब ना हो। माता पिता का भरपूर प्रेम हो। दादी और दादा का सहारा हो। बगीचे में हमेशा चहल-पहल हो। जिंदगी का मजा तो मानो बस, यही पल में हो। वो बचपन हमारा अभी जीवित हो। वो बचपन अपना अभी जिंदा हो।

चिंता न कीजे चित्त में, मन में न शंका लाइये। निः शंक होकर कार्य कीजे, भय न किंचित खाइये।। जो मूढ़ चिंताग्रस्त हो, सो कार्य कर सकता नहीं। चिंता जहाँ होती नहीं, होती सफलता है वहीं।।

जब तक न पूरा कार्य हो, उत्साह से करते रहो। पीछे न हटिये एक तिल, आगे सदा बढ़ते रहो।। उत्साह बिनु जो कार्य हो, पूरा कभी होता नहीं। उत्साह होता है जहाँ, होती सफलता है वहीं।।

गुरु - शास्त्र से जब ज्ञान हो, पीछे उसीका ध्यान हो। हो ध्यान से वैराग्य पर, तब तत्व सम्यक ज्ञान हो।। भोला! बिना गुरु - शास्त्र है, सम्यक ज्ञान नर पाता नहीं। होते जहाँ गुरु-शास्त्र हैं, होती सफलता है वहीं।

सफ़लता तुम्हारा ही इंतजार कर रही है.... जो भी कार्य करें (धर्म, शास्त्र, संत सम्मत), उसे पूरे मनोयोग से, दिल लगाकर करें।

मानव ! तुझे नहीं याद क्या? तू ब्रह्म का ही अंश है... कुल गोत्र तेरा ब्रह्म है, सद्भुद्ध तेरा वंश है... किसी भी काम को आलस्य या लापरवाही से बिगड़ने न दें। जो कर्म को पूरे मनोयोग से करता है उसका आत्मविश्वास होता है, उसकी योग्यताओं का विकास होता है। उठो... जागो... दूर करो लापरवाही को और तत्परता एवं कुशलतापूर्वक छलाँग मारो। फिर तो पाओगे कि सफलता तुम्हारा ही इंतजार कर रही है।

होती सफलता है वहीं! मित्रों! करो जो कार्य, सोचे बिना मत कीजिये। आरंभ पीछे कीजिये, पहिले समझ सो लीजिए।। सोचे बिना, समझे बिना, होती सफलता है नहीं। होता जहां सुविचार है, होती सफलता है वहीं।।

आत्म निर्भर भारत

- अनुराधा दिनेश बेलदार, SYJC Arts

आत्म निर्भर का सही मतलब यह होता है की कोई व्यक्ति गांव या देश किसी दूसरे के सहारे या किसी दूसरे पर निर्भर न होकर खुद पर निर्भर रहे। आत्म निर्भर होना खुद के लिए अपने गांव शहर और देश के लिए बहुत जरूरी है। यदि हमारा शहर या देश आत्मनिर्भर रहेगा तो हमें किसी दूसरे देश पर निर्भर नहीं रहना पड़ेगा

कोई भी व्यक्ति यदि किसी दूसरे पर निर्भर है,हर काम या अपनी आवश्यकता के लिए दूसरे की मदद की गुहार करता है,तो उसके के लिए यह बहुत बड़ी कमी है,उसे खुद पर निर्भर होना चाहिए न किसी दूसरे पर।

यदि कोई व्यक्ति आत्मनिर्भर होगा तो किसी भी समय उस पर कोई भी मुश्किल या मुसीबत आए तो वह खुद ही उसे सुलझा सकता है,बल्कि उसे किसी दूसरे की कोई जरूरत नहीं पड़ती है।

मनुष्य को जीवन में दूसरों पर भरोसा न कर आत्मिनर्भर और आत्मिविश्वासी होना चाहिए। दूसरे शब्दों में आत्मसहायता ही उसके जीवन का मूल सिद्धांत ,मूल आदर्श एवम् उसके उद्देश्य का मूल तंत्र होना चाहिए। असंयत स्वभाव तथा मनुष्य का परिस्थिति से घिरा होना पूर्ण रूप से आत्मविश्वास के मार्ग को अवरूद्ध सा करता है। वह समाज मे रहता है जहां पारंपरिक सहायता और सहयोग का प्रचलन है। वह एक हाथ से देता है और दूसरे हाथ से देता है,यह कथन एक सीमा तक उचित प्रतीत होता है,ऐसा लगता प्रमाणित तब होता है जब बदले में दिया कुछ नहीं जाता,सिर्फ लिया जाता है,और अधिकारों का उपयोग विश्व में बिना कृतज्ञता का निर्वाह किए भिक्षा वृत्ति तथा चोरी और लूट मार मे हो लेकिन विनिमय न हो

फिर भी पूर्ण आत्मनिर्भरता असंभव सी है। जीवन मे ऐसे सोपान आते है जब आत्म विश्वास को जागृत किया जा सकता है। स्वभाव के अनुसार हम दूसरों पर आर्थिक रूप से निर्भय रहते है। हम जरूरत से ज्यादा दूसरों की सहायता, सहानुभूति,हमदर्दी नेकी पर विश्वास करते हैं लेकिन यह आदत हानिकारक होती है, इस से हमारी आदत और शक्ति,आत्म उद्योग भावना नष्ट होती है,यह आदत हमें निज मदद हीनता की भावना भर देती है

इसके अलावा दूसरों से काफी अपेक्षा रखना एक तरह से खुद को उपहास दयनीय स्थिति तिरस्कार एवम् घृणा का पात्र बना लेने के बराबर है। इस स्थिति में लोग आश्रित और परजीवी बन जाते है। आत्म शक्ति से परिपूर्ण व्यक्तियों के मध्य हमारी खुद की स्थिति दयनीय हो जाती है। विभिन्न क्षेत्रों में सफलता प्राप्त करने के लिए हमारा अंत करण हमें उत्तेजित करता है अंत में हम इस मानव जाति से घृणा एवम् विरोध करने लगते है। ईर्ष्या हमारे जीवन में जहर भर देती है, इस से ज्यादा दयनीय स्थिति और कोई नहीं, इस से बिल्कुल विपरित स्थिति आत्म विश्वासी व्यक्ति की है। वह वीर और संकल्पी होती है। वह बाहरी सहायता पर विश्वास नहीं करता, बकवास में विश्वास नहीं रखता और बाधाओं ,मुसीबतों से संघर्ष करता है, तथा हर पथ पर नए अनुभव प्राप्त करता है। वह चाहे सफल रहे या असफल उसे हमेशा दया, आदर और प्रशंसा का अभिप्राय माना जाता है।

देश में अधिक उद्योग लगेंगे तो बेरोजगारी देश से कम होती और साथ देश में फैली गरीबी भी समाप्त होने के साथ बाधाओं देश की आर्थिक स्थिति में काफी सुधार होगा,और अर्थव्यवस्था बहुत मजबूत होगी,फिर हमारे देश को किसी दूसरे देश पर निर्भर नहीं रहना पड़ेगा। अधिक सामग्री बनने से हम अपने देश की सामग्री को और भी देशों को निर्यात कर सकते है,इस से हमारे देश में आयात मे कमी होगी और साथ मे निर्यात में बढ़ोत्तरी होगी।

आत्म निर्भर भारत को लेकर अब सरकार भी बहुत अच्छे बाधाओं कदम उठा रही है,तो हमें भी सरकार का सहयोग करना चाहिए,और देश को आत्म निर्भर बनाने मे सरकार की मदद करनी चाहिए।

हम से बेहतर हम, बोलो वंदे मातरम आत्म निर्भर हम, बोलो वंदे मातरम शून्य में संभावना, आता है हमें देखना विश्व विद्यालय तक्षशिला, विश्व को पहला मिला शल्य सुश्रुत प्रदान है दुनिया के लिए वरदान है।

जग को हमने सिखाया, वसुधेव कुटुंबकम। आत्म निर्भर हम, बोलो वंदे मातरम, हम से बेहतर हम, बोलो वंदे मातरम

प्रेमचंद जी एक अदभूत रचनाकार

- सुमन मौर्य (S.Y.B.COM)

मुंशी प्रेमचंद जी एक सफल लेखक, देशभक्त, कुशल वक्ता और संवेदनशील रचनाकार थे। उनका वास्तविक नाम धनपत राय श्रीवास्तव था। उनका जन्म ऐसे कालखंड में हुआ जब भारत में स्वतंत्रता के लिए कई संग्राम के नारे लगा रहा था। मुंशी जी का जन्म ३१ जुलाई, १८८० को हुआ था और मृत्यु ८ अक्टूबर १९३६ को हुई थी। प्रेमचंद के पिता मुंशी अजायब लाल और माता आनंदी देवी थी। वो एक दरिद्र कुल के थे, जिनका आधा जीवन गरीबी में निकला। वो बनारस के लमही गांव के रहवासी थे।

मुंशी प्रेमचंद जी जब १५ वर्ष के थे तब उनके सौतेले नाना ने उनकी शादी बाल विधवा शिवरानी से करवा दी थी। उन्हें पढ़ने का बहुत शौक था, वो आगे चलकर वकील बनना चाहते थे। उनके पिता के मृत्यु के बाद उन्होंने अपने पैरो पर खड़े होकर मेट्रिक पास किया और इलाहाबाद विश्वविद्यालय से अंग्रेजी साहित्य, पर्सियन और इतिहास विषयों से स्नातक (graduate) की उपाधि प्राप्त की थी।

प्रेमचंद जी ने सरकारी नौकरी करते हुए कहानी लिखना शुरू किया था। उनके मित्र उन्हें 'नवाब राय' नाम से बुलाते थे, पर सरकार के द्वारा उनकी लिखी हुई पहली कहानी संग्रह 'सोजे वतन' जब्त करने के वजह से उन्हें वह नाम छोड़ना पड़ा। फिर आगे चलकर उन्होंने "प्रेमचंद" को अपने साहित्यिक नाम के तौर पर अपनाया।

प्रेमचंद जी एक ऐसे लेखक थे जो अपने आस पास होने वाली समस्याओं, परिस्थिति, भावनाओं का चित्रण अपने लेखन में करते थे।वो अपने लेख में मानवभाव पे अधिक बल देते थे। उनकी रचाना अदभूत है, उन्हें पढ़ते ही ऐसा लगता हैं की वो हमारी आंखों के सामने घटित हो रही हैं। वह एक ऐसे व्यक्ति थे जो अपनी रचनाओं में बहुत ही स्पष्ट और कटु भाषाओं का प्रयोग करते थे। उन्होंने ऐसे कथन हिंदी और दूसरे भाषाओं में लिखे हैं जो लोगो के लिए प्रेरणा का एक श्रोत बन जाता था। उनके कुछ कथन नीचे लिखे हुए हैं –

- खाने और सोने का नाम जीवन नहीं है जीवन नाम है सदैव आगे बढते रहने की लगन का।
- २. विप्पत्ति से बढ़कर अनुभव सिखाने वाला कोई विद्यालय आज तक नहीं खुला।
- अन्याय का साथ देना अन्याय करने के समान हैं।
- ४. सिर्फ उसी को अपनी संपत्ति समझो जिसे तुमने मेहनत से कमाया है
- ५. क्रोध में मनुष्य अपनी मन की बात नहीं कहता वह केवल दूसरो का दिल दुखाना चाहता है।

ऐसा कहा जाता हैं कि जब तक देश और विश्व में हिंदी साहित्य बना रहेगा, मुंशी प्रेमचन्द जी का नाम अमर रहेगा। उनकी कई कहानियां जैसे "बड़े भाई साहब "१९१०," ईदगाह" १९३३, "कफन "१९३६ में लिखी गई थी, लेकिन ये सब आज भी जीवित है। इन सब कहानियों को पढ़कर लगता ही नहीं की ये सब ९० से १०० साल पपहले लिखी गई थी।

प्रेमचंद जी ने अपने जीवन में कुल १५ उपन्यास, ३०० से अधिक कहानियां, ३ नाटक, १० अनुवाद,७ बाल पुस्तके तथा हजारों पृष्ठों को लिखा है। उनकी लिखी हुई "गोदान" तो आज भी समाज में गरीबों पर बीतने वाली समस्या, दुख, परिस्थितियों को दर्शाता है।

प्रेमचंद जी अपने जीवन के अंतिम दिनों में भी साहित्य लेखन कर रहे थे। 'महाजनी सभ्यता' उनकी अंतिम निबंध थी, 'साहित्य का उपदेश' अंतिम व्याख्यान, 'कफन' अंतिम कहानी, 'गोदान' अंतिम उपन्यास तथा 'मंगलसूत्र' अंतिम अपूर्ण उपन्यास माना जाता हैं। प्रेमचंद जी के सम्मान में ३१ जुलाई १९८० को भारतीय डाक विभाग की ओर से प्रेमचंद जी के नाम का टिकट जारी किया गया था। हमें सिर्फ प्रेमचंद जी के बारे में जानकार उनकी कला, साहित्य, सोच का आभास नहीं होगा, जब तक हम उनके द्वारा लिखी गई रचनाओं को नहीं पढ़ेंगे।

- 11. *સાંબેલાધાર* ખેતરોના કયારાઓ ભરાય જાય અને કુવાની સપાટીઓ ઉપર આવી જાય એવો વરસાદ....
- 12. *હેલી* સાંબેલાયાર વરસાદ પણ જો સતત અઠવાડિયા સુધી વરસ્યા કરે તો હેલી આવી એમ કેહવાય...

*અને ઉપર જણાવેલ તમામ પ્રકારના વરસાદો જ્યારે એકી સાથે ટુટી પડે ત્યારે બારેય મેધ ખાંગા થયા એમ કેહવાય....!!

વિદ્યાર્થીઓ દ્વારા યોગદાન

દ્રૌપદીને પાંચ પતિ હતા ,પણ ચીરહરણ વખતે એક પણ મદદ નહોતા કરી શક્યા. દશરથ રાજાનેચાર પુત્રો હતા,પણ મૃત્યુ સમયે એક પણ હાજર નહોતા. સીતાજીનું હરણ થયું ત્યારેરામ કે લક્ષ્મણ એક પણ મદદરુપ નહોતા થઈ શક્યા. રણમેદાનમાં ચારે બાજુએથી ઘેરાઈ ગયેલા અભિમન્યુ ને ગમે તેટલા સમર્થ હોવા છતાંય પાંડવો મદદ નહોતા કરી શક્યા. પારથી નું તીર વાગ્યું ત્યારે સ્વયં કૃષ્ણ પણ એકલા પડી ગયેલા હતા. મતલબ કે મદદ ની અપેક્ષાઓ રાખી ને ક્યારેય કોઈ પોતાનું અસ્તિત્વ બયાવી શકતું નથી, અસ્તિત્વ બયાવવુ હશે તો સ્વયં સાવધાન રહેવું પડશે.

ક્રી છો તો શાંતિથી વાંયજો !

કર્મના સિદ્ધાંત નું માર્ગદર્શન !. ફ્રી છો તો શાંતિથી વાંયજો !. સુંદર ૧૧ વાતો સમજવા જેવી ..;

- ભગવાન કયારેય ભાગ્ય નથી લખતાં, જીવન ના દરેક ડગલાં પર આપણો વિચાર, આપણો વ્યવહાર, આપણુ કર્મ જ આપણુ ભાગ્ય લખે છે!
- પહેલાં ના લોકો લોટ જેવા હતા, લાગણી નુ પાણી નાંખી એ તો ભેગા થઇ ને બંધાઇ જતાં, આજે લોકો રેતી જેવાં છે, ગમે તેટલું લાગણી નુ પાણી નાખો તો પણ છુટા ને છુટા !.
- નીતિ સાચી હશે તો નસીબ કયારે પણ ખરાબ નહીં થાય , બીજો માણસ આપણા મા વિશ્વાસ મૂકે એ જ આપણા જીવનની સૌથી મોટી સફળતા છે!.
- દુ:ખ ભોગવનાર વ્યક્તિ આગળ જઈને કદાય સુખી થઈ શકે છે, પરંતુ દુ:ખ આપનાર વ્યક્તિ આગળ જઈને કયારેય સખી થતો નથી !.
- 5. માણસાઈ દિલમાં હોય છે , હેસિયત માં નહીં , ઉપરવાળો માત્ર કર્મો જ જુએ છે , વસિયત નહીં !.
- તમે ગમે તેટલા શતરંજ ના મોટા ખેલાડી હો , પરંતુ સરળ વ્યક્તિ સાથે કરેલ કપટ તમારી બરબાદી ના તમામ રસ્તા ખોલી નાખે છે!.
- 7. પ્રાણ ગયા પછી શરીર સ્મશાન માં બળે છે !. અને સંબંધો માંથી પ્રેમ ગયા પછી માણસ મનોમન બળે છે !.
- 8. જીવન માં સ્વાર્થ પુરો થઇ ગયા પછી , અને શરીર માંથી શ્વાસ છુટી ગયાં પછી કોઇ કોઇ ની રાહ જોતું નથી !.
- જે જોઈએ તે મેળવીને જ જંપવુ એ કદાય સફળ માણસની નિશાની છે, પણ જે મળ્યું હોય એમાં હસતો યહેરો રાખી ને જીવવું એ સુખી માણસ ની નિશાની છે!
- ઈશ્વર જયારે આપે છે ત્યારે સારું આપે છે, નથી આપતો ત્યારે વધું સારું મેળવવા નો રસ્તો આપે છે, પણ જયારે રાહ જોવડાવે છે ત્યારે તો સૌથી ઉત્તમ ફળ જ આપે છે!
- 11. આ ચરણ તો માત્ર મંદિર સુધી જ વઈ જઈ શકે , આચરણ તો પરમાત્મા સુધી વઈ જઈ શકે!!

- Krutika Patel (S.Y.J.C. - B)

આટલું તો આવડવું જ જોઈએ

જીવન જીવતા આવડવું જોઈએ સંબંધો સીવતા આવડવું જોઈએ

અમૃત નહિ મળે રોજ બે રોજ ઝેર પીતા પણ આવડવું જોઈએ

વાત વાત માં રુઠવું સારું નહિ સહન કરતા પણ આવડવું જોઈએ

અકકડ ઝાડ પહેલું તૂટી જાય થોડું નમતા પણ આવડવું જોઈએ

બધું કઈ પયી નહિ શકે થોડું વહેયતા પણ આવડવું જોઈએ

બેઠાળુ જિંદગી શ્રાપ છે થોડું નાયતા પણ આવડવું જોઈએ

યોપડીઓ અયૂક વાંયો યેહરા વાંયતા પણ આવડવું જોઈએ

અબોલા ક્યારેય નહિ લેતા મન મોટું રાખતા પણ આવડવું જોઈએ

સોગિયું મોઢું કોને ગમે ખડખડાટ હસતા પણ આવડવું જોઈએ

સંઘરાખોરી દુષણ છે દાન આપતા પણ આવડવું જોઈએ

ખોટા વખાણ કરવા યાપલુસી છે અરીસો બનતા પણ આવડવું જોઈએ !

એક સરસ મઝાનું ઘર

એક સરસ મઝાનું ઘર, એમાં વસે એક નારી અને નર, એક બીજાને હસે હસાવે, જીવે મસ્તીમાં દુનિયાથી રહે પર...!!

ત્યાં ઓર્યીતું એક દિવસ, હાથ લાગ્યું એક યંત્ર, હવે ના કોઈ હસે ,ના કોઈ રમે છિન્નભીન્ન થયું ધરનું તંત્ર, ના કોઈ સાંભળે, ના કોઈ બોલાવે બસ રાત દિવસ જપે..મોબાઈલ મંત્ર..!!

> રહે એક જ ધરમાં તોય, જાણે જોજન અંતર, દુનિયાના પળ પળની ખબર, દૂર થયા એકબીજાના અંતર, લાગણી પ્રેમ મરતા રહ્યા, સંબંધોમાં વધતું રહ્યું અંતર..!!

એપ્સ ફેરવે, ટાઈપીંગ કરે , ઢગલાબંધ ઈમોજી મોકલ્યા કરે Fb આખો દિવસ જોયા કરે, અજાણ્યા યહેરાને રિકવેસ્ટ મોકલ્યા કરે, એક બીજા સામે રમત રમ્યા કરે, ખોટે-ખોટું હસ્યા કરે, હવે ના કોઈ હાસ્ય કે ના કોઈ કંલરવ, ના કોઈ મસ્તી કે ના કોઈ ગુંજારવ.

> બેટરી ખતમ થતી રહી.. સંબંધો ખોખલા થતા રહ્યા..!! તમને શું લાગે છે..? યાર્જ કરવાની જરૂર કોને..??? મોબાઇલને.. કે સંબંધોને..?

ખરેખર અથાણાંમાં

કેટલું બધું adjustment છે! કેરીનો સ્વભાવ ખટાશનો છે ગોળનો સ્વભાવ ગળપણનો भेथीनो स्वलाव स्टवाशनो મરચાંનો સ્વભાવ તીખાશનો મીઠાનો સ્વભાવ ખારાશનો ધાણાજીરુનો સ્વભાવ તૂરો પણ અથાણાએ કેવું રુડં Adjustment કરી લીધું છે કે. સૌને વ્હાલું લાગે છે અને મીઠં મીઠં પણ લાગે છે! તેમ આપણે પણ જો જિંદગીમાં બધાં સાથે જ અને દરેક સ્વભાવના વ્યક્તિ સાથે adjustment કરતાં શીખી જઈએ તો. સૌને કેટલાં વડાલાં લાગીએ અને અકારુ લાગતું જીવન કેવું જીવવા જેવું મધરું બને

યાલો ને એક *get-together* કરીએ,

પરિવાર ના પાંખા માળામાં થોડી ડાળખીઓ add કરીએ,

કોણ બોલ્યું, કોણ મૌન છે, શું આપ્યું, શું લઇ ગયા, આ બધું મૂકીને એકબીજાના friend બનીએ,

નાના પાસેથી નવું શીખીએ, મોટા પાસેથી જૂનું જાણીએ, યાલોને પંચાત મૂકીને બસ knowledge લઈએ,

ક્યાંક દર્દ, ક્યાંક હાસ્ય, ક્યાંક એકલતા, ક્યાંક માનવતા, યાલોને સાથે મળીને એકબીજાના સ્વપ્નાઓ પૂરા કરવાની try કરીએ,

FB, WHATSAPP મૂકીને રુબરુ એકબીજાના ખબર પૂછીએ, યાલો ને એક *get-together* કરીએ... .*get-together* કરીએ....

આવે જો છીંક તો ઉચાટ થઈ જાય છે

આવે જો છીંક તો ઉચાટ થઈ જાય છે, દાદાના ખોંખારામાં કોરોના દેખાય છે!

ખુલ્લી જે બારી માંથી અપાતું હતું સ્મિત, હવે, તે બારી સદાય બંધ જ દેખાય છે!

જે ફૂવ ગુવાબી હોઠો પર હતા કુરબાન તે હોઠ બધા હવે માસ્ક તળે ઢંકાય છે!

બાજુ ની રેંકડી ની પેલી તરબતર ખુશ્બુ, હવે ધર માં જ સાંજે ખીયડી રંધાય છે!

કાઢી નાખતા હતા કુયા ઉથવાવીને બધા, એ છાપા હવે મોબાઈલ માં વંચાય છે!

હતો જેનો ના આવ્યા નો ઉચાટ ઘણોય, તે કામવાળા યાદ માં પણ ક્યાં વરતાય છે?

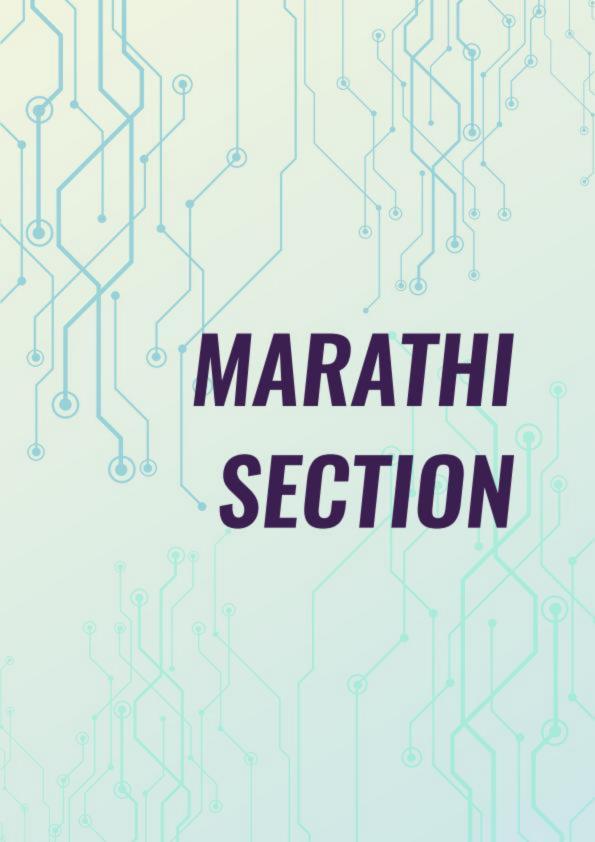

શીખી ગયા છે સૌ હાથ દેતા ઘરકામમાં, ઝાડુ મારવામાં હવે સ્ટેટ્સ જણાય છે?

દીકરી ભણે લેપટોપ પર, દીકરો મોબાઈલમાં, ભણવાની નવી રીતમાં વિસ્મય જણાય છે!

ટાઈ, બૂટ, શુટ, રુમાલ, પાકીટ નથી જોયતા, બેસી ઘરમાં, યકુી પહેરી બધું કામ થાય છે!

કેટલી વધારી હતી વ્યર્થ ની જરૂરતો સૌ, નકામું હતું સધળું હવે એ સમજાય છે!

माझ्या प्रिय मित्रांनो

- ममता सिंग

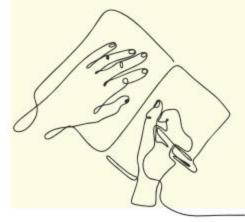

माझ्या प्रिय मित्रांनो -

आज ५ सप्टेंबर २०२०.... शिक्षक दिनाच्या सर्वांना खूप खूप शुभेच्छा.

मी १९८४ पासून २०२० पर्यंत म्हणजे ३६ वर्षे कॉलेज मध्ये मुलांना शिकवले व सी. ए. ची प्रॅक्टिस केली. रहेजा कॉलेज मध्ये मी १ जुलै १९९८ पासून शिकवायला लागलो. त्याआधी सिद्धार्थ महाविद्यालयात शिकवत होतो. रहेजा कॉलेज मध्ये माझ्या वर्गात शिकवण्याबरोबर साहित्य, काव्य, संगीत, गोष्टी, विनोद, अध्यात्म याही गोष्टी सहजपणे येत असत. माझी शेरो-शायरी व गाणी ऐकून मुले आनंदुन जात. २००१ साली माझ्या क्ष#39;ममता सिंग' नावाच्या एका विद्यार्थिनीने मला एक कविता भेट म्हणून दिली व ती चक्क माझ्यावर लिहिलेली होती. ती कविता वाचून माझ्या डोळ्यात आनंदाश्रू आले. मी ती कविता माझ्या पाकिटात जपून ठेवली होती. दुर्दैवाने माझे ते पाकिट हरवले व त्याबरोबर ती कविताही गेली. मला कविता गेल्याचे खूपच दु:ख झाले. मी ममता सिंग कुठे आहे त्याचा खूप शोध घेतला पण तिच्या मित्र मैत्रिणींनाही ती कुठे आहे ते माहित नव्हते.

मी ३१ मार्च २०२० ला रिटायर होणार होतो. अचानक मार्च महिन्यात ममता सिंग कॉलेज मध्ये आली व माझ्या केबिन बाहेरच तिने विचारले "सर, मुझे पेहचाना";... मी लगेच म्हणालो "ममता सिंग २००१ बॅच की..... १९ साल बाद भी मैने तुझे पहचाना." तिने हसून मला कॉरिडॉर मधेच खाली वाकुन नमस्कार केला. मी तिला सांगितले की तू दिलेली माझ्यावरील कविता हरवली आहे व केवळ माझ्या तीव्र इच्छेने व देवाच्या कृपेने तू मला परत भेटलीस. तुझ्याकडे ती कविता आहे का ? ती म्हणाली की ती लग्न होऊन आता सुरतला राहते व तिच्या घरी डायरी मध्ये ती कविता आहे. तिने सुरतला गेल्यावर मला ती कविता तेथून पाठवली. माझ्या विद्यार्थिनीने माझ्यावर केलेली

ही कविता वाचून माझे हृदय आनंदाने भरून गेले. १९ वर्षांनी हरवलेली कविता व विद्यार्थिनी रिटायरमेंटच्या महिन्यात परत भेटणे याला काय म्हणायचे.... देव खूप कृपाळू आहे हेच खरे..... ती कविता मी तुम्हा सर्वांना देत आहे -

साठे साठे सर so sweet ! साठे सर जी आपका तो. अंदाज ही निराला है जबसे आए हो कॉलेज मे, सबपर जादू डाला है ! आपके दिये उपदेशोंने. कितनोंको बदल डाला है गलत राहपर चलनेवालींको आपने सही राह दिखाया है। वो विद्यार्थी है धन्य जिन्होंने शिक्षक के रूपमें आपको पाया है शिक्षक के सही अर्थ को तो आपनेही समझाया है ! शिष्टता. क्षमा और करुणा का आपने तो भंडार पाया है है धन्य हमारा जीवन जो हमें आपसे पढना है। आप गुरु हो, गुण के सागर हो आपके चरणों में सर हमें झकाना है जो मिला जीवन दुबारा हमें तो शिक्षक के रूपमें आपकोही पाना है। चलकर आपके पदचिन्हों पर आप जैसा बनने की कोशिश करना है साठे सर जी आपका तो.

अंदाज ही निराला है !
