 from the academic year 1980-81.

Sir,

I am directed to refer your letter No. Aff-Regd-3161 dated 19.3.1980 on the above subject and to inform you that upon consideration of the applications received by the Government, through your University, the State Government has no objection to the processing of the following applications moved for opening of new Colleges, under Section 43A of the Bombay University Act, 1974.

Location of the College	Faculty	Management
1. Wadala, Bombay.	Commerce	South Indian Welfare Society, Wadala, Bombay.
2. Santacruz, Bombay.	Arts & Commerce	Sadhana Education Society, Santacruz, Bombay. ✓

2. In this connection, it is further desired to add that, in view of the short time available now, the State Government would have no objection to your University presuming that should the University decide to recommend grant of affiliation to any of the Colleges referred to above the State Government would issue an order in due course, in terms of Section 43 (7) of the Bombay University Act, 1974, granting affiliation accordingly. Such grant of affiliation will, however, be subject to the following conditions:-

- The College must have minimum enrolment of 40 students in each faculty in which it has been permitted to impart instruction in the First Year of the Degree Course.
- Not less than 20 students should appear for the University Examinations held at the end of the academic year 1980-81.

Ms. HOD-1162/23972 (Acquirement)  
Directorate of Education,  
Maharashtra State, Pune-1,  
Date:- 28th July, 1982.

The Principals,  
of all Non-Government Colleges of  
Arts, Science, Commerce and  
Education in the State.

Subject :- Release of salary and non-salary  
grants from July 1982 onwards.

Reference:- Government Resolution Education Employment  
and Youth Services Department No. HOD-1279/  
157796/V-A, dt. 3.10.1979.

On the adoption of monthly salary payment scheme from the  
year 1981-82, this Directorate has been releasing monthly salary  
grants to Non-Government colleges of Arts, Science, Commerce  
and Education in the State to meet their salary requirements for  
the staff which are required to rise in expenditure, as a  
consequence of increased rates of D.A., annual increments of the staff  
and other salary payments etc. According to the grant-in-aid  
scheme, the income i.e. released from the fee paying students  
account to meet the salaries expenditure. It has been the practice  
that this Directorate has been releasing salary grants to meet  
the full requirements for the months of March, April, May and  
June as shown in table below. The salary grants, 1/3 of the  
total amount of 1/3 of tuition fees from the fee paying students,  
is released from the salary grants - released by this  
Directorate. This procedure is being followed since last year and  
the fee income is released in February after adjustment of the  
fees according to this practice. The Directorate has already  
released salary grants from March 1982 to June 1982 on 100% basis  
and the salary grant for July 1982 has now  
been released after deduction of 1/3 of the  
fees of the students of the preceding year. This deduction  
is equal to that of the last year. This procedure  
will ensure that the figures of final assessment are reported  
to the Government, Higher Education Grants of the State,  
for releasing the salary grant for the month of July,  
and other considerations have also been taken into account.

Government have granted increase in the rates of D.A. as  
per Government Resolution, Finance Department No. OPA 1108/43-3427  
GMR-7, dt. 15.4.1982. The rise in D.A. in four consecutive years  
mentioned in the Government Resolution has been taken into  
consideration for the release of monthly salary grants for July  
1982.

In witness whereof  
Shri Phadke

2. It is just possible that in case of some college the 1/3rd of the fee income as per last year's collection is likely to be much more than the monthly salary payment (including the D.A. etc. as mentioned above) and the requirements of Government Leave benefits etc. In all such cases, this Directorate will not be releasing an additional amount for these purposes on the monthly salary grants from July 1982 onwards. The Principals of all such colleges are hereby directed that, all the fee income from fee paying students including the fee income of Government of India's concessions for backward class students, etc. should necessarily be credited to the salary payment account of the college and the monthly salary expenditure should be met with from these balances.

3. In case however, if any shortfall is experienced by such colleges referred to at item No.2, where the fee income is utilized for salary grants, the Principals are requested to make separate references to the Directorate through the Administrative Officers for the additional requirements to cover the salary payments. These cases will be scrutinised on merits of each case and the additional grants will be released to them.

In regard to the non-salary grants, the first instalment has been released equal to 4% of the estimated salary expenditure for the year 1981-82 or to the extent of the last year's salary grant whichever is less. This may please be noted.

It has also been noticed by the Directorate that number of references are received by the Administrative Officers as well as this Directorate showing the additional funds to meet the salary expenditure. If the colleges work out their realistic estimates (excluding the inadmissible expenditure on which the grants are released by the Directorate - (minus) the income by way of fee paying students, it is expected that there will be no occasion for the college to face the shortfall in the salary expenditure for such correspondence can be easily eliminated.
