### Guidelines for Mentoring

The college practises a well-placed mentoring system, whereby each student/group of student has an assigned Teacher-Mentor. The role of mentor is to provide academic, psychological and emotional counselling and guidance from time to time. Timely intervention by mentors helps the mentees to overcome any hurdle during teaching learning process.

- The college divides the mentees and a mentor is assigned to 70-80 students on average.
- The Mentor-Mentee meet on a date as decided by the mentor, either before lecture and after lecture batchwise as per the convenience of both that is mentor and mentee.
- As such students can meet their mentors individually or in groups anytime, as they need.
- Mentor-Mentee keeps contact also through WhatsApp, Telephonic conversation and E-Mail.
- Issues which need preliminary counselling are handled by the mentors. Matters related to personal are directed to Personal Counsellor.
- The College has appointed a professional Personal Counsellor to guide our students.
