LETTER OF APPRECIATION

N.S.S. Unit, LS Raheja of Arts & Commerce

On behalf of Rajani Foundation (India) and United For Greater Cause, we would sincerely like to thank you for the support you provided for Clean-A-Thon 2019. Thanks to your generous support, we were able to raise awareness among budding environment enthusiasts about the prevalent condition of our environment.

Because of your support, we were able to attract as many as 1397 interested individuals. We have also persuaded these individuals to approach us with newer ways of spreading environmental awareness, for which we will conduct many more such initiatives and make our city a better place to live in.

This initiative would not have been a success without the generous support you have provided us throughout. We deeply appreciate the willingness with which you have continued to partner our efforts to make our city a healthier, happier place to live in. We sincerely hope that this association will be maintained and that you will continue to support us in our future endeavors.
