Launch of MEDIALORE

- Kavita Soni

The launch of the Newsletter Medialore for the first year BMM/BAMMC department students of L. S. Raheja College was held on March 1st, 2021.

For the first time, a department has introduced its very own newsletter whose main objective is to show unity. The motive of the fellow students was to support and encourage others for their talents which is crystal clear in the newsletter. The logo showing an origami bird portrays flight, freedom and success.

Students came up with an idea of introducing a newsletter every month, which was greatly supported by their Co-ordinator Ms. Kavita Makhija soon after the approval of the respected Principal Dr. Debajit

their art work for the newsletter.

On the day of launch, students brought a hard copy of the Newsletter and wrapped it with a red ribbon and a bow. Along with their Department Co-ordinator Ms. Kavita Makhija, the entire team headed towards the Principal's office where he unwrapped the newsletter and read it with pride. His constant smile encouraged the students to work consistently hard for the upcoming newsletter. He not only appreciated the students for their work but also gave ideas for the next edition.

To commemorate the occasion of launch, the team and the faculty had a cake cutting ceremony. And ultimately, the fellow contributors brain-stormed and discussed ideas,

Team RETAKE'S Day Out At Sion Koliwada Municipal School

By News Aur Chal - Jan 15, 2018

Retake 2018 | Source: NewsAurChal Media

BMM students from L. S. Raheja College of Arts & Commerce visited Sion Koliwada Municipal School to celebrate Makarsankranti with school's special children on Friday, 12th January 2018. This Institutional Social Responsibility initiative was a part of the college's BMM Department's Annual Festival 'Retake'.

On 12th January 2018, a day before the Makarsankranti weekend, students visited the school campus at 12:30 PM with bags full of Til-Gud sweets and gifts. On the same day, the school was also running a campaign to save and educate the girl child. The team received a warm welcome from the staff of the school on their arrival and it hardly took them any time to bond with the child.
