# INTRODUCTION:

The main motive of BFM at L. S. Raheja College of Arts and Commerce is to inculcate in the students the drive to acquire knowledge about Financial Services and help the students to have a great future ahead in Financial Markets. A comprehensive training is provided to students via various lectures, sessions, projects and workshop. The students are trained perfectly to fit in with the requirements of an ideal person in the field of Financial Market who knows how to make proper analysis, correct decisions, and most importantly to ensure the proper execution of the decision.

At L. S. Raheja College of Arts and Commerce we are striving to create additional avenue for self – employment to the students and to provide suitable and trained persons for financial service sectors, to prepare graduates to compete with the degree holders of private and foreign universities and to establish strong coordination between the service sector and the institution of higher education..
