BANKING AND INSURANCE

INTRODUCTION:

Banking and Insurance are core of the service sector of the Indian economy. In recent times, COVID-19 has affected various industries and economies, more rapid growth is expected in case of both the sectors. Therefore, these two sectors are very much looked upon by young aspirants, trying to find their footing in terms of career. The Department of Bachelors of Commerce (Banking & Insurance)- B.B.I. course of L. S. Raheja College endeavours to provide skillful personnel to banking and insurance sectors that hold an ever-increasing prospect for growth and learning. Our students are trained to adapt to the stimulating as well as ever-changing atmosphere of the industry and make a sound and stable career in the field of banking and insurance sector.

We are determined to create an additional avenues of self-employment and to benefit the industry by providing suitably trained personnel in the field of Banking & Insurance.

We focus on achieving undermentioned objectives in respect of the course:

- To provide theoretical understanding and practical application in the field of banking and insurance sector.
- To train students and equip them with skills for their future corporate image using modern technology under the guidance of specialized faculties.
- To provide an exposure of the corporate arena thus, inculcating confidence in them to grab upcoming opportunities in the field of banking and insurance sector.
