An annual Cultural fest of LS Raheja College organised by the students of the Bammc Department. The name itself "Retake" drips excitement, drama and emotion. Retake 2023 with the theme "bane of benevolent" left us with nothing but chills. Retake is a two-day fest filled with fun events. It was an amalgamation of fun and thrill. An unbelievable experience for all of us, especially because we got it offline after 2 years of covid. It was an emotional roller coaster for the students of the final year. We went through major ups and downs but it made us stronger than ever. We were eagerly waiting for the day to arrive and when it finally did it left us in awe. The first day of Retake was filled with excitement and so much energy. It started with a beautiful opening ceremony followed by great events with the participation of talented souls. The day came to an end with the great dance performances of the participants. The second day of Retake made us feel both sad and happy because of an unfortunate turn of events. It was unexpected and tragic for all of us. Due to the situation we were in we couldn't complete the closing ceremony, but towards the end, everything came to peace. Although we enjoyed every event of Retake, the event that topped the list was Retake Rhapsodies which is the band event. The judge of Retake Rhapsodies gave us an unforgettable and mind-blowing concert. The one word I would describe Retake in is "Memories". The song Memories beautifully narrates and depicts the feelings of students, "But everything gon' be alright, Go and raise a glass and say, ". From the day we started and the day when it all came to an end, we treasured every bit of it. We organised a closing ceremony for the participants of Retake. The closing ceremony was overflowing with competitiveness and longing. The wait was finally over, everyone was at the edge of their seats. The title of Retake 2023 was given to the contingent Peterpan in Evildead. The core delivered a remarkable speech and signed off on their positions. It was a heart-rending moment for the students of the Bammc Department. With this Retake 2023 bid farewell, Wishing that next year we come back even more powerful. The End.

BINGEWATCH? WHY NOT SHEHZADA

-PALAK RANA

This action drama film, which is a remake of a Telugu film 'Ala Vaikunthapurramuloo', starts on a promising note, as a nurse and an office clerk, Valmiki (Paresh Rawal), exchange the latter's son with a business magnate Randeep Jindal (Ronit Bose Roy). For 25 years, Valmiki's son Bantu is trapped in a middle-class household with his spiteful father.

A must watch movie which is full on entertaining. It includes genres of comedy, action, romance. All the things were there which audiences want and love! Although it's a remake, Kartik Aaryan has done an amazing job from comedy to action, he is fabulous in this film. Besides this, Kriti Sanon has also done her job very well although most of the times she is seen only in songs, but that was also good. Other than the two main leads, Manisha Koirala, Ronit Roy & Paresh Rawal have played an amazing role. No doubt after a long pause they are present on the screen with such mind blowing performance. Kartik Aryan has truly impressed us with this movie. Looking forward to more such good & entertaining movies.

Saint Valentine's Day' or more popular as 'Valentine's Day', is a day meant for lovers all around the world. This day is the celebration of the feeling called Love. It is annually celebrated on 14th February.

The youth observes it as a perfect opportunity to confess their love. It mandatorily involves an exchange of gifts, greetings, flowers etc. Eventually, the day doesn't end with similar results for everyone. Similarly, the history of Valentine's Day isn't the same for everyone. Different parts of the world have different histories of Saint Valentine. The Western Orthodox Church fixed 14th February as Saint Valentine's Day. Many parts of the Eastern Orthodox Church honor Saint Valentine on July 6. A mentioned account says that while Saint Valentine was imprisoned by the Roman Empire, he restored the eyesight of his jailer's blind daughter. Some later reports suggested that Saint Valentine performed marriages for the Christian soldiers who were disallowed to get married by the Roman emperor. He is said to have written a letter signed as "Your Valentine" to the jailer's daughter as a farewell before his own execution.

The Gelasian Sacramentary, written in the 8th century, mentions a record of the celebration of The Feast of Saint Valentine on 14th February. Within years, the day began to be associated With love and romance. By the 18th century, it became a special day for couples. Couples Expressed their love by gifting cards and flowers to each other. KHAWAHISH: PURI HOKE BHI ADHURI!

-NIDHI NISAR

Tera sath hona hi mere liye bohot hai,
Tera mujhe dekh yuh muskurana hi mere liye bohot hai,
Tera phat se kaandhe pe hath rakhna hi mere liye bohot hai ;

Kyuki tu meri vo khwahish hai,
Jo maine socha nahi tha puri hogi ;
Adhuri si hai magar voh puri hokar bhi
Yeh saach jyda maayine rakhta hai....

Thoda jyda mai karti hu
Kam se jyda tune kabhi kiya hi nhi,
Par tera kuch toh karna bhi maayine rakhta hai..

Tinder ki age me , hand written letter chahti hu tumse ;
Jyda toh mai karti hu , tumse toh bass thoda sa pyaar
chahti hu

50-50 na sahi ;
70-30 ki deal done karte hai kya ?
Kabhi 70 mai karti hu toh 30 tera banta hai,
Kabhi 30 hi mujhse hoga toh 70 tera farz banta hai

Order aur request pe nahi mutual understanding pe sath
chalte ha i;
Doubts aur judgment se nahi trust ko sath rakhte hai.

Allah kare !
Yeh chahat se mohabbat tak ka safar;
Hum saath paar karle,
Kyuki yeh saraf joh mushkilo se bhara hai
Tumhari muskurahat ko dekh kar hi kat jayega !!

ज़िन्दगी का सफर!

-TAZEEN SHAIKH

ज़िन्दगी का सफर एक खूबसूरत खेल है,
हर किनारे में छुपा हुआ मुश्किलो का ढेर है,
चिरागो की रोशनी हमेशा जलती रहे,
उम्मिदो की आगाज हमेशा मचलती रहे,
खुशियों की गुन गुनाहट हमेशा गुन गुनाती रहे,
हर पल, हर लम्हा लिखा जाए एक नया,
अनोखा किस्सा,
जिंदगी का सफर यूँ ही चलती रहे.....
