NOTICE

Prohibition of Mobile Phone and Headphone Usage on Campus

In accordance with the resolutions made during the meeting of the discipline committee held on 31st July, 2023, the following decisions have been implemented:

- Talking on mobile phones within the premises, including entrance lobby, classrooms, staircases, corridors, auditorium, and the library, is strictly prohibited.
- The use of earphones, headphones, or any similar devices is also strictly prohibited.
- Upon entering the college gate, students must ensure that headphones and earphones are kept inside their bags and not worn on their person.
- Within the classroom sitting, mobile phones must either be put on silent mode or switched off entirely.

To enforce these rules effectively, the discipline committee will initiate a continuous campaign against the usage of mobile phones and headphones from 04th August 2023 to 08th August 2023.

Non-compliance with these regulations will result in the imposition of penalties as follows:

- For the first instance, a fine of Rs. 500/- will be levied, and the device will be confiscated.
- For any repeated instances, a fine of Rs. 1000/- will be imposed starting from 09th August 2023.

It is essential for all students to understand and adhere to these guidelines for maintaining a conducive learning environment on campus.

Please note that designated areas, such as the Quadrangle, canteen, entrance, and grounds, are the only permissible zones for the use of mobile phones.

Let us all cooperate in upholding discipline and fostering a productive academic atmosphere.
