NOTICE

All the Junior College students are hereby informed that we have prepared certain guidelines concerning the use of mobile phones and social media on our college campus. These guidelines have been put in place to ensure a safe and conducive learning environment for everyone.

Mobile Phone Usage: Mobile phones are permitted on campus solely for the purpose of marking attendance through the college's official attendance app. Any other use of mobile phones during class hours or in academic areas is strictly prohibited. We encourage you to keep your phones on silent mode or turned off during lectures to minimize disruptions.

Photography and Videography: Photography and videography within the college campus are not allowed without prior permission from college authorities. This includes taking pictures or videos of classes, faculty, or other students without their consent. Respect for the privacy and dignity of others is of utmost importance.

WhatsApp Groups: Students are not permitted to create separate WhatsApp groups for academic or college-related purposes. We have official WhatsApp groups for each class, subject, and college announcements. Please use these official groups for academic discussions and communication with your peers.

We kindly request your cooperation in adhering to these guidelines. Failure to comply with these rules may result in disciplinary actions, including warnings and, in severe cases, suspension.
